To Whom It May Concern:

I am writing in recommendation of Matthew Watkins for a position teaching secondary Social Studies. Mr. Watkins was a member of my Freshman Academy team and taught next door to me at Tates Creek High School for the 2017-2018 school year.

Mr. Watkins has been a dependable team member. This school year he has acted as our team's recorder. He has been very successful in this position with great attention to detail and accuracy in reporting.

Mr. Watkins has built positive relationships with many students on our team. He has offered guidance to students in regards to their grades by frequently checking their grades with them and discussing any struggles they may be having. He has also acted as support system to the whole child by offering guidance to students going through their first break-up, or through disagreements with their family or friends. Mr. Watkins genuinely wants what is best for the kids.

It is without hesitation that I recommend Matthew Watkins for a position at your school.

Sincerely,

Candace de Courten

English Teacher/Team Lead
